Roots and Fruit: Give Generously

The apostle Paul was unashamed to say that being financially generous is a key to joy, blessing, and so much more. In the same way, many Christians have learned that it is more blessed to give than to receive!

4. Open a new window and type in: y2mate.com

The screenshot shows the y2mate.com website. At the top, there is a navigation bar with the site logo and links for "YouTube Converter", "YouTube to MP3 Converter", "FAQ", "Copyright Notice", and "English". The main heading is "Download Video and Audio from YouTube". Below this is a search bar with the placeholder text "Search or paste link here..." and a red "Start" button with a right-pointing arrow. A small note below the search bar reads "By using our service you are accepting our [terms of use](#)".

A tip section follows, stating: "Tip: Insert 'pp' after the word 'youtube' in the link to download videos and mp3 files from YouTube as a faster way." Below the tip is a text input field containing the URL "https://www.youtubepp.com/watch?v=VuNisY6Id".

To the right of the input field, there is a yellow box with the text: "If you can't directly download video to your PC, please follow the guidelines below." Below this are two steps: "Step 1: Select the format you want and click 'Download' button." and "Step 2: In new window, press 'CTRL + S' to save video OR right click to video, then select 'Save as Video'." Below the steps is the "Y2mate" logo.

At the bottom left, there are two sections: "Instructions" with the text "1. Search by name or directly paste the link of video you want to convert" and "Features" with a list: "• Unlimited downloads and always free" and "• High-speed video converter".

At the bottom right, there is a red button with a Chrome extension icon and the text "DOWNLOAD Chrome Extension".

5. Paste in the URL you copied from our website. You will immediately see a list of options to download your video. The highest resolution is the 1080p but 720p would be fine too. Click the green “Download” button next to the file size and format you would like.
